

prevention of grippe and common colds. The article would not be effective for such purposes.

DISPOSITION: March 1, 1946. No claimant having appeared, judgment of condemnation was entered and the product was ordered destroyed.

2091. Misbranding of Procon Tablets. U. S. v. 250 Bottles of Procon Tablets. Default decree of condemnation and destruction. (F. D. C. No. 16445. Sample Nos. 2652-H, 2653-H.)

LABEL FILED: June 15, 1945, Southern District of West Virginia.

ALLEGED SHIPMENT: Between the approximate dates of April 30, 1943, and August 23, 1944, by the Allied Pharmacal Co., from Cleveland, Ohio.

PRODUCT: 124 20-tablet bottles and 126 200-tablet bottles of *Procon Tablets* at Charleston, W. Va.

LABEL, IN PART: "Murray's Procon Tablets."

NATURE OF CHARGE: Misbranding, Section 502 (a), the name "Procon" and the label statement "For The Temporary Relief of Incontinence" were false and misleading because the article would not be effective for the relief of incontinence.

DISPOSITION: November 7, 1945. No claimant having appeared, judgment of condemnation was entered and the product was ordered destroyed.

2092. Misbranding of Dietary Supplements. U. S. v. 72 Bottles of Wheat Germ Oil Capsules, 31 Bottles of Pure Soy Bean Lecithin Capsules, 12 Bottles of High Potency Vitamin C Tablets, 111 Bottles of Vitamin C Tablets, 10 Bottles of Mineral Capsules, 63 Bottles of Garlic Parsley Capsules, 17 Bottles of Dicalcium Phosphate and Vitamin D Tablets, 133 Bottles of Improved 'B' Complex Tablets, and 36 Jars of Malt-O-Soy, and a quantity of printed matter. Default decree of condemnation and destruction. (F. D. C. No. 15370. Sample Nos. 31967-H, 31973-H to 31983-H, incl.)

LABEL FILED: May 1, 1945, Southern District of California.

ALLEGED SHIPMENT: On or about April 2, 1945, by A. Hohensee, from Phoenix, Ariz.

PRODUCT: The above-mentioned *dietary supplements* at San Diego, Calif., together with a number of accompanying display cards entitled "The Wheel O' Life," a number of accompanying booklets entitled "The Health Success and Happiness Lectures 'High Blood Pressure,'" and "What About the Vegetables and Fruits We Eat Today?" and a number of accompanying booklets headed "Lecture Series on Health and Progress," with subheadings "How to Think and Attain Success," "Better Eyes Without Glasses," and "Your Personality Glands."

NATURE OF CHARGE: *Wheat Germ Oil Capsules.* Misbranding, Section 502 (a), certain statements in the booklets entitled "Lecture Series on Health and Progress Your Personality Glands" and on the display card were false and misleading since they suggested and implied that the article would be effective in the treatment or prevention of the pain and suffering associated with the menopause period; that it would prevent atrophy of the "personality" glands; that use of the article would assure a long life free from suffering and disease; that it would promote general well-being, vigor of personality, and mental and physical vigor; that it would prevent miscarriage and sterility; that it would be efficacious in the prevention and treatment of "angotrophic" lateral sclerosis; and that it would strengthen the sexual power of men. The article would not be effective in the treatment or prevention of the conditions named, nor would it otherwise fulfill the promises of benefit stated and implied.

Pure Soy Bean Lecithin Capsules [or *Pure Soy Bean Lecithin and Vitamin D Capsules*]. Misbranding, Section 502 (a), certain statements in an accompanying booklet entitled "Lecture Series on Health and Progress * * * What is Brain Food?" were false and misleading since they represented and suggested that the article would be effective to nourish the brain, whereas the article would not be effective for such purpose.

Vitamin C Tablets. Misbranding, Section 502 (a), certain statements in the booklets entitled "Lecture Series on Health and Progress Better Eyes Without Glasses" were false and misleading since they represented and suggested that the article would correct or prevent faulty vision or other eye conditions, hay fever, asthma, and catarrh, whereas the article, either alone or in combination with other treatments, would not be effective for such purposes.
